

Food and Agriculture Organization of the United Nations
PROFESSIONAL VACANCY ANNOUNCEMENT N°: IRC2843

Issued on: 30 March 2015

Deadline For Application: 20 April 2015

POSITION TITLE:	Senior Rural Sociologist	GRADE LEVEL:	P-5
ORGANIZATIONAL UNIT:	Africa Service, TCIA Investment Centre Division, TCI Technical Cooperation Department, TC	DUTY STATION:	Rome, Italy
		DURATION*:	Fixed-term: 2 years
		POST NUMBER:	0023388
		CCOG CODE:	1L05

* The length of appointment for internal FAO candidates will be established in accordance with applicable policies pertaining to the extension of appointments

Applications from qualified women as well as from qualified nationals of non-and under-represented member countries are encouraged
Persons with disabilities are equally encouraged to apply
All applications will be treated with the strictest confidence

The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization

Organizational Setting

The Investment Centre Division (TCI) promotes investment in food security, nutrition, agriculture and rural development (FSNARD), sustainable natural resource management (NRM) and climate change adaptation (CCA) in developing countries and countries in transition, assisting governments and country stakeholders, main development partners, in particular international financing institutions with the strategic planning and implementation of their investments to achieve growth, poverty alleviation, food security and nutrition goals.

TCI is a multidisciplinary division composed of three regionally focused services, namely Africa Service, Asia and the Pacific Service, and Europe, Central Asia, Near East, North Africa, Latin America and the Caribbean Service, as well as FAO's coordination unit for the Global Environment Fund (GEF).

Reporting lines

The Senior Rural Sociologist reports to the Chief of the Africa Service.

Technical Focus

Design, implementation support and evaluation of investment operations (projects and programmes) in FSNARD, NRM and CCA to promote agricultural and rural development, inclusive growth, poverty reduction, gender equality and sustainable livelihoods, as well as strategic and policy work with a focus on rural sociology, inclusive sustainable development and social protection.

Key Results

Provision of technical advice and capacity development for (i) the design of investment operations, in collaboration with country stakeholders and cooperating partners, to mobilize resources for FSNARD, NRM, and CCA; and (ii) implementation support and evaluation of investment operations, in accordance with the FAO Strategic Framework.

Key Functions

- leads, or participates in, multidisciplinary teams to assist governments in the identification and preparation of investment operations in the fields of FSNARD, NRM and CCA, and participate in pre-appraisal and appraisal missions;
- leads, or participates in, multidisciplinary teams for the implementation support and the preparation of final evaluation of investment operations;
- advises governments in the preparation of FSNARD, NRM and CCA studies and strategies, and in the formulation of national sector and/or sub-sector investment plans and programmes;
- advises on developing inclusive and sustainable food systems, involving producers, their organizations, other private sector actors, civil society organizations and government;
- leads the formulation and delivery of capacity development strategies and activities in the areas of FSNARD, NRM and CCA investment support to government staff, and non-state actors and private sector organizations;
- prepares reports in accordance with government and financing partners' requirements;
- advises on task organization, selection of consultants, preparation of terms of reference and in ensuring the quality of outputs;
- represents the Organization at international and inter-governmental meetings and conferences, advocates for strategic partnerships, best practices and effective policy dialogue; develops and negotiates effective working relationships and agreements with international and national partners;
- leads or participates in resource mobilization activities in accordance with the FAO Corporate strategy;
- provides guidance, mentoring and advice to junior staff.

Specific functions

- advises on approaches to poverty, food and nutrition security, livelihoods and community-based planning, access to services and infrastructure, rural institutions, social protection, gender roles, youth, producer organizations, and other relevant socio-economic factors;
- plays a key role in the involvement of government officials, non-state actors, development partners and target groups to

- ensure priorities of diverse stakeholders in investment planning and design;
- advises on and/or contributes to ensuring that target beneficiaries participate in and benefit from project interventions and are meaningfully engaged in project management;
- leads or contributes to corporate work related to social analysis, social protection, gender, food security and nutrition, rural livelihoods, community-driven development, community-based natural resources management and resilience.

CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING

Minimum Requirements

- Advanced university degree in sociology, social development, anthropology, rural development or a closely-related field
- Ten years of relevant experience in rural sociology in the context of FSNARD, NRM and CCA, including in the design, implementation and/or evaluation of agricultural and rural development investment programmes in developing countries and/or countries in transition
- Working knowledge of English, French or Spanish and limited knowledge of one of the other two or Arabic, Chinese or Russian

Competencies

- Results focus
- Leading, engaging and empowering
- Communication and advocacy
- Partnering and resource mobilisation
- Knowledge sharing and continuous improvement
- Strategic thinking

Technical/Functional Skills

- Work experience in more than one location or area of work, particularly in field positions is essential
- Extent and relevance of experience in conducting socio-economic analytical research or surveys, implementing participatory methods focussing on institutional development, rural livelihoods, poverty, social protection, gender analysis and targeting
- Extent and relevance of experience in leading multidisciplinary teams for the design, implementation support or evaluation of FSNARD, NRM and CCA investment operations
- Extent and relevance of experience in investment design, implementation support and evaluation procedures of FAO's main development partners, in particular the World Bank, the International Funds for Agriculture and Development (IFAD), the European Bank for Reconstruction and Development (EBRD) and the GEF
- Extent of experience in capacity development for the design and implementation of FSNARD, NRM and/or CCA investments
- Demonstrated experience in dealing with senior government officials, development partners and other country stakeholders;
- Demonstrated capacity to write technical reports in English
- Relevance of experience in the Africa region
- Ability to work under pressure and willingness to travel frequently to developing countries and countries in transition

Please note that all candidates should adhere to *FAO Values of Commitment to FAO, Respect for All and Integrity and Transparency*.

ADDITIONAL INFORMATION

- All candidates should possess computer/word processing skills.
- As part of the evaluation of your application for this position, you may be requested to undergo written assessment, which may be followed by a competency-based interview.
- Your application will be screened based on the information you have entered in your iRecruitment profile (see below under the *How to Apply* section). Before applying for a vacancy, we strongly recommend that the information you have provided in all sections of your profile are accurate and complete, including employment record, academic qualifications and skills.
- Please note that FAO will only consider academic credentials or degrees obtained from an educational institution that is recognized or sanctioned by a competent national authority, included in the IAU/UNESCO list.
- Other similar positions at the same level may be filled from this vacancy notice and the endorsed candidates will be considered for the Employment Roster for a period of 2 years.
- Candidates may be requested to provide performance assessments.

REMUNERATION

A competitive compensation and benefits package is offered. For information on UN salaries, allowances and benefits, click on the following link: http://www.un.org/Depts/OHRM/salaries_allowances/salary.htm

HOW TO APPLY

To apply, visit the iRecruitment website at <http://www.fao.org/employment/iRecruitment-access/en/> and complete the on-line application. Only applications received through iRecruitment will be considered.

Candidates are requested to attach a letter of motivation to the online profile.

Vacancies will be removed from iRecruitment at 23:59 Central European Time (CET) on the deadline for applications date. We encourage applicants to submit the application well before the deadline date.
