

Issued on: 22 December 2014

Deadline For Application: 12 January 2015

POSITION TITLE:	Nutrition Officer	GRADE LEVEL:	P-4
ORGANIZATIONAL UNIT:	Multidisciplinary Team (SFEMD) Subregional Office for Eastern Africa (SFE)	DUTY STATION:	Addis Ababa, Ethiopia
		DURATION *:	Fixed-term: 2 years
		POST NUMBER:	2005084
		CCOG CODE:	1102

Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.

Persons with disabilities are equally encouraged to apply.

All applications will be treated with the strictest confidence.

The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization.

### Organizational Setting

FAO's Subregional Office for Eastern Africa (SFE) is responsible for developing, promoting, overseeing and implementing agreed strategies for addressing subregional food, agriculture and rural development priorities. It develops and maintains relations with subregion-wide institutions including Regional Economic Integration Organizations (REIOs). It assists the FAO Representations (FAORs) in the subregion with addressing subregional food security, agriculture and rural development issues at country level. The Subregional Office is a subsidiary of FAO's Regional Office for Africa (RAF).

### Reporting Lines

The Nutrition Officer reports to the Subregional Coordinator and works under the functional guidance of the Director, Nutrition Division (ESN) and in close collaboration with the RAF Senior Nutrition Officer.

### Technical Focus

Contribute to the implementation of FAO's Nutrition Strategy, in particular to the development of normative tools and guidelines in line with FAO's strategic objectives, supporting capacity development activities, contributing to strategic planning and support to country programme development, as well as providing direct support to country-led policy making and programme implementation. This work will be undertaken in close collaboration with government counterparts, African Union Commission, New Partnership for Africa's Development (NEPAD) Regional Economic Communities (RECs), UN Agencies and other development partners from public, research, civil society and private sectors.

### Key Results

Comprehensive technical, statistical, analytical and/or policy analysis services and the development of specialized tools, methodologies, systems and/or databases to support the planning, implementation/delivery and monitoring of the programme of work and related products, projects, publications, and services.

### Key Functions

- Plans and leads components of multi-disciplinary teams and short term work groups, leads and/or participates in internal committees, project teams, and working groups and provides specialized expertise to international technical networks and technical policy and standard setting bodies.
- Develops technical, statistical, analytical, monitoring and reporting frameworks, and related tools, methodologies, systems and databases etc. to support the planning, implementation/delivery and monitoring of FAO's programmes of work, products, projects, and services.
- Designs and conducts research, data collection, validation, analysis and/or reporting activities to support the development of technical standards, international instruments, innovative tools and methodologies, flagship publications/technical reports and/or policy proposals as well as the provision of technical specialist and/or policy advice and expertise.
- Responds to requests and provides technical/policy advice, assistance and solutions to Regional, Sub-Regional, and Country Offices and provides technical backstopping to field projects.
- Promotes international cooperation and collaboration, advocates best practices and increased policy dialogue and provides technical expertise at international meetings and conferences.
- Supports capacity development and knowledge sharing activities within member countries, through policy support, organizational development and individual learning and by the development of learning materials and related on-line tools.
- Participates in resource mobilization activities in accordance with the Organization's overall approaches to resource mobilisation at global, regional, subregional and country levels.

### Specific Functions

Supports the overall implementation of FAO's Nutrition Strategy, in particular:

- Provides technical advice to governments, regional organizations (e.g. AU, NEPAD, IGAD) and development partners on nutrition, especially on nutrition-enhancing food and agricultural policies, strategies and programmes; including the support to the Africa Day for Food and Nutrition Security.
- Advocates the mainstreaming of nutrition in FAO's Regional initiatives and Country Programming Frameworks, as well as relevant regional and national programmes;
- Liaises with international organizations, relevant national bodies and networks, such as the Africa Task Force for Food & Nutrition Development, SUN and REACH). , public and private sectors the donor community and NGOs in promoting

- nutrition-sensitive strategies and food-based approaches in national nutrition programmes;
- Promotes visibility of FAO's nutrition work by participating and acting as a resource person in regional and national meetings and workshops;
- Performs an active role in FAO's nutrition network, in particular, through bringing in relevant sub-regional and country perspectives.
- Promotes and facilitates collaboration and partnerships in nutrition programmes with AU, RECs and other development partners
