Persons with disabilities are equally encouraged to apply.  
All applications will be treated with the strictest confidence.**

**The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization**

---

### Organizational Setting

The FAO Office of Evaluation (OED) anchors the evaluation function in the Organization. Evaluation in FAO provides results accountability to both member countries and the Director-General, giving more in-depth understanding and objective basis for their decision-making and oversight. Evaluation also contributes to corporate learning, feeding lessons into a robust feedback loop. Evaluation provides a sound basis for improvements in the Organization's programmes in terms of their relevance to countries, definition of objectives, their design and implementation. The Office also participates in system-wide evaluation initiatives, thereby contributing to assessments of development effectiveness by the UN system.

### Reporting Lines

The Evaluation Officer report to the Director, Office of Evaluation

### Technical Focus

Thematic evaluations, country-level evaluations, methodological development and utilization of evaluations

### Key Results

Increased results accountability and lessons learning at the corporate and unit level

### Key Functions

- plans, designs and conducts OED evaluations ensuring submission of reports according to deadlines;
- manages evaluations conducted by consultants or commissioned to external institutions;
- conducts quality control or assure OED evaluations;
