Bundesagentur für Arbeit

Zentrale Auslands-
und Fachvermittlung (ZAV)

The International Placement Services (ZAV), a department of the German Federal Employment Agency in cooperation with EURES, is recruiting and placing job seekers who are interested in working in Germany.

On behalf of several companies we are looking for:

Baker and Pizza Baker (m/f)

Your Task:

- Your duties are producing dough and bake bread and rolls according to traditional German recipes mostly in smaller bakeries.
- For big bakery factories, your main responsibility would be operating machines

Your Profile:

- Knowledge of the German language (A2)
- Vocational Training in bakery
- Working experience is a plus
- Depending on your working place, you will need a driving licence and a car because operating hours of the public transport may not always correspond with your working time

Framework conditions:

- German contract – no subcontracts or temporary work
- Good and secure working place
- Depending on the employer language courses are offered
- The employer will help you finding accommodation and settle in Germany
- Payment according to German regulations (plus additional fees at some employers)

Are you interested? We look forward to receiving your application documents in German (or English) at:
XXXX

For further information or assistance please contact us.

On behalf of several companies we are looking for:

Plant mechanics - plumbers and pipe fitters (m/f)

Your Tasks:

- Plant mechanics manufacture and maintain pipeline systems for water, gas, oil or district heating. For the most part, they use standard tubes.
- Special parts, such as branches or bends, which can not be finished by hand, are manufactured on their own.
- They connect the pipe sections to a load-bearing and sealed pipe
- Depending on the material of the pipe, they weld, glue or screw the individual pieces.
- They also install branches, gate valves and measuring devices.
- Afterwards they perform a leak test.
- They also carry out repairs and maintenance work on pipes, for example, they repair pipe joints or connect households to a supply network.

Your Profile:

- German language skills at least B1 in speaking and writing
- Completed vocational training as a plumber and pipe fitter
- Dexterity and eye-hand coordination
- Body control and dizziness
- Technical understanding
- Team ability and good physical constitution
- Practical knowledge
- Applicants must have a driving license and be mobile in order to be able to reach the building sites themselves

Frame conditions:

- Contract: permanent
- Collective wage agreement: Construction tarif
- Working hours: full-time
- Help with finding an accommodation, support with the authorities. An apartment can also be provided during the first months (payed by your salary).
