

2ND STANDARD INFORMATIVE NOTE

which may be used by Competent Authorities, as users of the IMI System, as they deem necessary, for the purpose of informing their existing members, as to the possibility of communicating information concerning them to Competent Authorities of other member states, when such members submit an application for registration to these Authorities.

You are hereby informed that where a person registered on the Register retained by the Council submits an application for registration on a Register of a Competent Authority of another Member State in the EE or the E.F.T.A., the Council, in order to simplify the procedures and the administrative cooperation required to examine the application of a member for registration, if requested, may, through the IMI System, provide the Competent Authority of the receiving Member State, with information concerning the applicant, relevant to the subject matter of his application for registration.

The Coordinators of the IMI System may also act as Competent Authorities and as such may send or receive requests for information.

Under section 30 of Law 76(I)/2010 the Council may notify the competent authorities of other Member States with regard to any service activities that might cause serious damage to the health or safety of persons or to the environment, through the "Alert Mechanism" provided in the IMI System.
